

REFER A **FRIEND**

Bring a buddy to the start line. Your friend saves on their first event, and you save on your next one.

VERSION 1.0 · OCTOBER 2026 · FEETANDPEDALS.COM

THE OFFER

YOU BOTH SAVE

Your friend gets a discount on their first paid booking, and **you** get a discount on your next booking once they have booked. The current amounts are always shown on your **Refer a friend** page and at feetandpedals.com/refer-a-friend.

The offer shown here is always the current one, and it can change from time to time.

Feet and Pedals pays for these discounts. Organisers always receive their full ticket price.

1 SHARE YOUR LINK

Sign in and open **My account** → **Refer a friend**. You'll find your personal link (for example feetandpedals.com/r/PRIYA-7K2M). Tap **Share on WhatsApp**, or copy the link and send it any way you like.

2 YOUR FRIEND JOINS

Your friend opens the link and signs up with their email, WhatsApp number, Google or Facebook. We remember your link for **a limited period**, so they don't have to sign up straight away.

They'll see "[Your name] invited you!" at the top of the site, and we email them their welcome gift once they've signed up.

3 YOUR FRIEND BOOKS

Their welcome discount is **applied automatically** at checkout. There's no code to type. It comes off the ticket price, and the convenience fee and its GST stay the same.

4 YOU GET YOUR REWARD

Your reward code is sent to you by **email and WhatsApp** once your friend's booking is confirmed and can no longer be refunded. It also appears on your Refer a friend page and is **applied automatically** on your next booking.

WHY WAIT?

Rewards are for real bookings. Waiting until the refund window closes means a booking that gets refunded doesn't earn a reward.

YOUR REFER A FRIEND PAGE

- **Friends joined:** who signed up with your link.
 - **Booked, reward unlocks [date]:** your friend has booked, and your reward is on its way.

TERMS

REFER A FRIEND TERMS

1. **Who can refer.** Any Feet and Pedals athlete account in good standing.

2. **Who counts as a friend.** A person who is new to Feet and Pedals and creates their first account through your link, within a limited period of opening it. Each person can be referred only once. You can't refer yourself or a second account of your own.
 3. **Verified accounts.** The friend's email address or mobile number must be verified.
 4. **Friend's discount.** One welcome discount per friend, valid on their first paid booking only, for a limited period after sign-up. It isn't valid on free events.
 5. **Your reward.** One reward per friend who completes a paid booking. It's issued once your friend's booking is confirmed and can no longer be refunded, and only if the booking hasn't been refunded or cancelled. Reward codes are valid for a limited period.
 6. **Limits.** Up to a set number of rewards per athlete per calendar month. The programme has a monthly budget; if it's reached, new discounts pause until the start of the next month.
 7. **How discounts apply.** On the ticket price only, not on the convenience fee or its GST, with a maximum discount per booking. One Refer a Friend discount per booking; if you have more than one code, the best one is used. An organiser's own promo code can still be used on the same booking.
 8. **Not cash.** Discounts and reward codes have no cash value. They can't be exchanged, transferred, sold or withdrawn, and they only work on the account they were issued to.
 9. **Refunds.** If a booking that used a discount is refunded, you get back the amount you actually paid for the tickets. The discount itself isn't refunded, and a used code doesn't come back.
 10. **Fair use.** We may cancel discounts and rewards, or close accounts, where we see misuse such as fake accounts, self-referral or bulk sign-ups.
 11. **Changes.** We may change the offer, the limits or these terms, or end the programme, at any time. Codes already issued stay valid until they expire. The live offer is shown on your Refer a friend page.
 12. These terms sit alongside our [Terms and Conditions](#) and [Refund and Cancellation Policy](#).
